

Dear Friends in Christ,

This summer, I preached on what I like to call the new "6G" network here at St. Hubert's: a way to bridge the glorious past with the exciting future of our parish: Grace Generates Gratitude; Gratitude Generates Generosity. I am eager to continue to journey with you and to lead you into continuing to encounter the gold mine of Christ's personal love for each of us. Whenever we receive that love, accept it, spend time with it, let it sink in, let it save us from problems in our life that we cannot fix on our own, a wellspring of gratitude is spontaneously generated in us; we spontaneously feel called to share all of the God-given gifts we have received with others.

An important part of that sharing in the past was financial support, ensuring that the operations of the parish and its many spiritual, educational and social ministries could continue. As we start to budget for the next fiscal year, we are encouraging parishioners to give generously so that we can continue to offer the many ministries that we do at our parish.

In addition to asking you to make a financial commitment, I am also asking you to help us make our monthly mortgage payment. Consider all of the beautiful parts of St. Hubert's that we use so frequently that we're still paying for. A magnificent place of worship. A versatile Fellowship Hall. Meeting rooms and classrooms. A first-rate gym and stage. An inspiring Adoration Chapel. This building is in use every day of the week and most nights. If we were to build an identical facility today, it would cost over thirty million dollars. On the other hand, if half the households in our faith community committed just \$20 per month to our mortgage, we could make our monthly payments without having to draw money away from operations and ministry. In fact, that level of financial commitment would allow us to pay off our mortgage ahead of schedule.

Consider all that St. Hubert's means to you and how you count on your faith community throughout the year. Your church has made a commitment to you. Please use this form to make your commitment. This form also allows you to sign up for electronic giving by having St. Hubert draw on a checking or savings account. Please consider this convenient option as you make your commitment for the coming year. You may return your form to the parish office at your convenience or place it in the collection basket during any Mass.

I give thanks every day for the privilege of serving this unique faith community. Your commitment to this faith community will do more than pay the bills. It will Honor the Past, Support the Present and Build the Future.

In Christ's Peace,

Fr. Rolf Tollefson

Honor the Past. Support the Present. Build the Future.

Your commitment of financial stewardship is an important and deeply personal decision that will help parish leadership and staff develop our mission and ministry budget and plans. Keep in mind that your commitment may be changed at any time. This table may be of some help in determining a weekly pledge that is realistic and reflects your gratitude.
