

Pastoral Care

Hospital or Nursing Home/Transitional Care Patients

Churches are no longer notified by a hospital or nursing home when a parishioner is admitted unless the person requests it. If you or a family member are in the hospital or nursing home and would like a visit from a member of the pastoral ministry staff, please call the parish office at (952) 934-9106.

BeFriender Ministry

We are all in need of friends in our lives. Friends we can trust to stand by us and walk with us on our life's journey. Friends with whom we can share our insights, joys, sorrows, confusion and triumphs with. Friends who will guard all we say in confidence.

St. Hubert Catholic Community has such friends. They are called **BeFrienders**.

- A **BeFriender** is one who accepts you as you are.
- A **BeFriender** is one who allows you to express your feelings without telling you how you should or shouldn't feel.
- A **BeFriender** is one who embodies the presence of Jesus Christ to others.
- A **BeFriender** is one who listens with compassion.

Are you in need of a friend? If so, it's easy to find one.

Want to become a **BeFriender** Minister?

The role of the **BeFriender** is to be a companion to the person experiencing a need. These needs may arise from losses (job, loved ones, health, etc.) to just needing someone to talk to. Through listening, presence and compassion, the **BeFriender** brings with them the caring presence of God and the emotional and spiritual support of the parish community. Training is provided and develops communication skills, faith sharing and ministry reflection. It also addresses such issues as grief and loss, spirituality, aging, listening and confidentiality. Training is typically covered in 35 hours. **BeFrienders** participate in ongoing, monthly ministry reflection with the supervision of the **BeFriender** coordinator. For more information on becoming a **BeFriender**, please contact Diane Potts at (952) 374-5049 or diane.potts@sthubert.org.

Faith Community Nurses

A Faith Community Nurse (FCN), formerly called a parish nurse, is a registered nurse with specialized training in faith community nursing. St. Hubert's FCNs are registered nurses (RNs), licensed and currently registered with the Minnesota

Board of Nursing. In addition, they have completed a 40-hour basic educational program for faith community nursing. "Faith Community Nursing is a specialized practice of professional nursing that focuses on the intentional care of the spirit

as part of the process of promoting holistic health and preventing or minimizing illness in a faith community.” If you are in need of a faith community nurse, please contact Deacon Jim McDonald at (952) 374-5048 or jim.mcdonald@sthubert.org.

Homebound Communion Ministry

If you or someone you know needs a visit from a homebound minister, please contact Les Boatman at (952) 934-4521 or the parish office at (952) 934-9106.

Prayer Shawls

If you know anyone who should receive a prayer shawl, please contact Julie Kreemer at (952) 937-9287. If you would like to be a part of this ministry by knitting or crocheting shawls, contact Julie for more information.
