

St. Hubert's High School Youth Ministry

Youth Events for January/February

Sunday, January 29 – The Help: Part 2

Time: 7:00-9:00 PM

Location: The Youth Room

Both Jesus and the Church are strong proponents that EVERY human person has dignity and deserves respect. "The Help" is more than just entertainment, it deals with this issue of human dignity in a way that no homily or class ever could. So as a follow-up to the previous week's viewing of the movie, we'll do some discussion and activities that tie into those themes. If you missed the full movie, don't worry, we'll catch you up. Snacks available, as usual, along with some laughter and games!

NET MINISTRIES Saturday, Feb. 4 – Lifeline!

Time: 3:30-10:00 PM

Location: Meet @Main Entrance

Every month the NET Ministry center in West. St. Paul hosts a huge teen mass and event with over 1,000 people! Rock group SONAR does the music, they bring in awesome speakers and homilists, and there's always a concert or breakout after mass. We provide the transportation from St. Hubert's to the center (and back), and we all get dinner together in West St. Paul. Cost is \$10 per person (includes dinner), contact Scott if you're interested!

Sunday, Feb. 5 - Superbowl Party!

Time: During Superbowl (exact times TBD)

Location: Youth Room

Join us for our Superbowl party down in the Youth Room! Besides watching the big game on the big screen, we'll have plenty of food (like wings, root beer floats, and more) and other entertainment (like foosball, billiards, etc.). So if you don't have plans for America's biggest sports event, come hang out with us!

Sunday, Feb. 12 – Q&A Night

Time: 7:00-8:30

Location: Youth Room

Join us for a traditional youth group night, complete with games, food & friends! Our topic will be wide open this night, with a chance for you to ask questions about the things in the Church or with your faith that you might not fully understand.

Sunday, Feb. 19 – Storytelling Night

Time: 7:00-8:30

Location: Youth Room

Jesus loved to teach people by telling stories, so at tonight's youth group, that will be the theme. Think of your best couple of stories before you arrive, because everyone will get a turn in the hot seat (if you want). Then we'll use a couple of great stories with messages to have a little discussion. Of course, there will be games and food included as well.
