Advent Retreat in Daily Living

In a “Retreat in Daily Living,” participants commit to a half-hour of prayer each day and go about their daily lives as usual.

Prayer material relating to the theme of the retreat is provided for each day.

In addition to a daily period of personal prayer, the participants in the retreat will meet for an hour to an hour and a half each week.

During this time, they will share their experience of prayer in small groups and Susan Stabile will offer input in prayer and some of the dynamics of this type of retreat experience.

She will also provide the prayer material for each day of the following week.

This retreat is designed for those beginning to pray in a personal way as well as those who have been praying for years.

It will be held Monday evenings at 7 PM in the adult rooms. The first session is November 30 and will meet December 7, 14, and 21.
