Dear Parent or Guardian:

St. Hubert School has installed a new software program called Renaissance Place that incorporates both Accelerated Reader and Star Reader. This program has a special feature called Renaissance Home Connect. Renaissance Home Connect is a fun, easy-to-use, easy-to-understand, web-based interface that allows you, your student(s) and the teacher to share in the educational experience by viewing progress in certain Renaissance Place programs while outside of school.

You can view Renaissance Home Connect from any computer with an Internet connection using these browsers:

- Internet Explorer® 6.02 or later
- Firefox® 1.5 or later
- Safari™ 2.0.3 or later

### **To log in to Renaissance Home Connect**

Website: <https://Hosted163.renlearn.com/159411/HomeConnect/Login.aspx>  
(enter this address in your search engine)

Enter the following:

**User Name: Use the first letter of your student's first name and first 4 letters of your last name. Mine is CKLIN. If this user name doesn't work and you have more than one student with the same initials, try putting a 1 after the first four letter of your last name. Also, ask your student what their user name is. Most have logged on already and know this information.**

**Password: For grades K-4 = this password is their initials (first and last name only). For grades 5-8 = this password is their computer password – ask your student for this.**

In Renaissance Home Connect you can also:

- Click **Email Setup** to sign up to receive emails showing your student's quiz or test results.
- Click **Help** to get answers to your questions about Renaissance Home Connect

Thank you for your interest.

Please contact me at [connie.klingelhutz@sthubert.org](mailto:connie.klingelhutz@sthubert.org) if you have any questions or have any trouble logging in. I would appreciate your patience. As with any new program, I'm sure there will be a few kinks along the way.
