

8th Grade Play

The 8th grade play is a long-standing St. Hubert's tradition. Each year the entire 8th grade class comes together to put on a musical production. Some students work behind the scenes, some are on stage, some play lead roles, and some play supporting roles, but EVERY student is important to the success of the show. The musical takes place in the fall, typically in mid-November, and it is truly magical to see the students form bonds that continue throughout the year.
