October 2010

Dear Parent/Guardian of prospective Chanhassen/Chaska High School students:

A carefully planned high school experience is essential to your son's or daughter's future success. Chanhassen and Chaska High Schools are the starting point in District 112's high school program. We provide a complete academic program focused on achievement. Our program is designed to help 9th graders transition from a middle school setting to the more demanding academic schedule required by our high schools and beyond. We take great pride in knowing high school students. Our schools offer a unique combination of academic rigor and opportunities for social growth specific to adolescents. We strive to provide exceptional, personalized learning and commit to helping our students become positive contributors to both the local and global community.

On Tuesday, November 9, at 7:00 p.m. we invite you to a preview of what you can expect at Chanhassen & Chaska High Schools. Each High School will conduct its own Parent Preview Presentation. The Preview Night will start with a presentation about our program and will be followed by tours of the building and opportunities to ask any questions you may have about us. The evening will also include a visit with High School administrators, counselors and our students.

If you cannot attend a preview night at one of our High School's on November 9, we encourage you to visit our website: <http://www.district112.org>, where you will find relevant information. We also welcome personal calls at any time to answer any question you have. Feel free to call any administrator at Chanhassen High School 952-556-3500 or Chaska High School 952-556-7100.

Parent Preview Night is our opportunity to introduce you to the exceptional school experience that you will find in our high school programs. We believe the evening will be helpful as you make that important choice of where your child will spend the next four years. Please mark your calendars: November 9th at 7:00 p.m. We are looking forward to meeting you!

Sincerely,

Chanhassen and Chaska High School Administrators
