October 2009

Dear Parent/Guardian of prospective Chanhasen/Chaska High School students:

A carefully planned high school experience is essential to your son's or daughter's future success. Chanhasen and Chaska High Schools' are the starting point in District 112's high school program. We provide a complete academic program focused on achievement. Our program is designed to help 9th graders transition from a middle school setting to the more demanding academic schedule required by our High Schools' and beyond. We take great pride in knowing high school students. Our schools' are a unique combination of academic rigor and opportunities for social growth specific to adolescents. We are guided by our Community Values and committed to helping our students become positive contributors to both the local and global community.

On Tuesday, November 10, at 7:00 p.m. we invite you to a preview of what you can expect at Chanhasen & Chaska High Schools. Each High School will conduct its own Parent Preview Presentation. The Preview Night will start with a presentation about our program followed by tours of the building and opportunities to ask any questions you may have about us. The evening will also include a visit with High School administrators, counselors and our students.

If you cannot attend a preview night at one of our High School's on November 10, we encourage you to visit our website: <http://www.district112.org>, where you will find relevant information. In addition, we also welcome personal calls at any time to answer any question you have. If you have any questions, feel free to call any Administrator at Chanhasen High School 952-556-3500 or Chaska High School 952-556-7100.

Parent Preview Night is our opportunity to introduce you to the strong school experience that you will find in our High School programs. We believe the evening will be helpful as you make that important choice of where your child will spend the next four years. Please mark your calendars: November 10th at 7:00 p.m. We are looking forward to meeting you!

Sincerely,

Chanhasen and Chaska High School Administrators
