1. Great response, next year will offer more tickets to meet the demands
2. Looking into selling tickets to a SHS fundraising event for a Wild game.

Casino Night will replace the Back to School Dance. We are hoping to offer Texas Hold 'em games, slot machines, roulette and a few other card games. We are planning to have Casino Night in mid to late October with the intent of bringing higher attendance of the SHS community.

Gym Jam follow-up: Next year considering changing from basketball to volley ball or a sport that will encourage different participation/attendance.

St. Hubert's Spirit wear:

1. Spirit Wear sales during the parent teacher conferences were very successful.
2. Spirit Wear informational flyers as well as order forms will be included with the following:
 - a. The May sports team registration will include an abbreviated SHS order form. Items that are being considered for purchase include a SHS logo long sleeve warm up top, duffle bag, water bottle and an activity specific t-shirt.
 - b. Spirit Wear orders can be placed at the Donald's Uniform Sales the first week in August and the items will be available for pick up at the 2010-2011 Meet and Greet .

Vending machines/Concessions:

1. Two people have expressed an interest in the Vending Machine Coordinator. Thank you Erin and Laura.
 - a. They will be trained on the process.
 - b. A list of needed inventory will be submitted weekly for procurement.

- c. A new location for storing the vending inventory is being checked into. If available it would be closer to the vending machines, making replenishing of the inventory easier.
2. Mobile Vending Stand
 - a. A request will be submitted to purchase a stand.
 - b. Location of the mobile stand during games is still being reviewed as there are several options. Some locations offer more options of food, such as pizza and/or hot dogs. Others either block entry ways or the view of game for the concession's volunteer workers.
3. Eight Grade Play – suggestion to have concessions available during that week. This would offer more food selections, such as pizza and hot dogs.

Soft Ball / Baseball Tournament – looking into having concessions available during the games. This will be convenient for families to purchase water, sports drinks and other food items without leaving the location.

1. The parks will allow SHS to have concessions as long as we clean up afterwards.

Funding Requests – deadline is approaching quickly (May 8th). SHS staff encouraged to submit their requests before the deadline to have their request considered with the current available funds.
