

DERBY DAYS

Live and Silent Auction Donations

Donations to the silent and live auctions are critical to the success of the Spring Fling. Auction items cover a huge spectrum, from gift cards, electronics, favorite wines, spa packages, get-a-ways, etc...

No donation is ever too small, and certainly never too big!

This year our goal is to increase auction proceeds. To do this, we encourage everyone to join in the fun and help us create a wonderful auction. **Here's how to become involved:**

- 1) **Individual donations** – Individuals and families generously donate the majority of our items. We invite you to continue to use your imagination and donate items that you think would really appeal to St. Hubert families.
- 2) **Group donations** – Many families join together at “Giving Parties” or just join a group of friends and donate packaged items, such as a trip, cooking classes, gourmet dinners, etc... These donations have been particularly successful thanks to the creativity and combined efforts of families offering unique and fabulous items that separately would not have the same appeal.
- 3) **Solicitation Ideas**– Businesses and establishments patronized by St. Hubert families and friends donate many of our most attractive items. Please let us know of any businesses you patronize which you believe would be good prospects for our auction and we will contact them directly. Kindly email names and addresses to Jeanne Pietrini jmpietrini@yahoo.com or Nancy Hanousek nphanousek@aol.com.

We are now kicking off our auction promotion, **so please get auction items in early** and let's keep the momentum going! Please see the “Auction Wish List” on the reverse side of this sheet filled with great donation ideas. We have also included a **blue donation form** for your use when submitting your donations. Please drop all donations off in the school office marked “Spring Fling.”

We are so grateful to all St. Hubert families and friends who have contributed to past Spring Fling auctions. We hope we can count on you to make this year's event successful! If you have any questions, please contact either Cara or Jeanne and we would be happy to assist you!
