

DERBY DAYS

And... Once Again... We're Off!!!

Dust off your hats and mark your calendars for Friday, April 23, 2010

Spring Fling is months away, but the celebration has begun as together we begin planning our school's biggest annual social and fund-raising event – a night filled with great dining, games, and Live and Silent Auctions. As co-chairs, we would like to invite and encourage all of our parents and friends to participate in the planning of this year's Derby Days. The format is simple – each grade level is responsible for the areas noted. *If, however, you have a special interest, skill, or talent in an area not represented by your child's grade, please feel free to lend a hand in that area instead.* Another great way to become involved is by hosting a Giving Party or planning a classroom donation. In whatever you choose, we thank you for sharing your time, talent and treasure!
